

Payment & Financing Options for Cosmetic Surgery

As you consider **cosmetic surgery** you may be wondering about your **payment options**. There are a number of payment options. We offer an array of programs designed to meet your individual needs.

For financial assistance, call Amy at (770) 667-3090 or email her at, amy@RobinsonFPS.com. Amy has worked with patient financing options for several years and has helped many patients achieve their dreams with payment plans that fit comfortably in their budgets.

Affordable payment plans available for as little as \$111 a month!*

Types of Payments

- **Cash or Check:** Personal check, cashier's check, or cash.
- **Credit Cards:** Visa, MasterCard, Discover, or American Express.

Patient Payment Plans:

We offer a number of **patient financing** options. Call and speak with our financial counselor, Amy. You want to be sure you are applying to the company that will best meet your individual needs. Amy can guide you in choosing the best options and help you with the pre-screening process that will not affect your credit.

We offer No Interest (same as cash) payment plans for up to 12 months. We also offer extended payment plans for 24, 36, 48 or 60 months with varying rates of interest depending upon your credit history.

CareCredit®

CareCredit gives you the freedom to get your plastic surgery procedure whenever you're ready. It's easy to apply.
